Why are you here?

Expectations

What can you expect from the program?

Industry-driven curriculum
with real-world problems

Holistic support

Highly challenging work
(it’s a “boot camp” for a reason)

Group-based learning

4 absences

Ideally, you don’t miss any!

2 missed assignments

Aim for 100% homework completion.

100% group projects

Your participation matters.

Financial Obligation

Stay Current!

Add/Drop Period

One Week from Today

Classroom Goals

- Be engaged
- Be on time
- Be accountable
- Be excited!

20+ hours per week

Study time outside of class

Office hours

45 mins before and 30 minutes after class

Connect

Slack, study groups, meetups, etc.

Career Support Progression

Months 1-2

- Understand the tech industry
- Develop your brand statement & online presence

Months 3-4

- Build a technical resume & portfolio
- Start practicing interview skills

Months 5-6

- Continue to practice Interviewing
- Learn to network
- Start applications!

Months 7-9

- Individualized career support throughout job search

Your Career Services experience is organized around a set of **7 Milestones** that will lead you to **Employer Competitiveness.**

Milestones include:

- Create Professional Materials
- Polish your Portfolio
- Prepare for Successful Interviews
- Build Your Visibility

Thanks!
