

## Homework Policy

- ❖ Homework is due by midnight on the due date.
- ❖ TAs are not *required* to grade or provide feedback for homework that is submitted more than 24 hours after the due date. Assignments submitted more than 7 days late *will not* be graded, nor feedback provided. If an assignment is not graded, it does not count toward graduation requirements.
- ❖ TAs will provide basic feedback on each assignment in BCS. If you would like additional feedback or want to discuss feedback, please contact the TA who provided feedback and schedule a time to meet with him/her..
- ❖ For extenuating circumstances, you may submit a request via slack group DM to your instructional team for a homework extension. If you miss the extension deadline, the assignment will not be graded nor will feedback be provided.
  
- ❖ A grade of "F" or "I" (Incomplete) does not count toward graduation requirements.
- ❖ In the event that you receive one of these grades, the feedback will tell you what you need to do in order to correct the assignment.
- ❖ For any assignment receiving an F or I, you will have one week from the day your assignment is graded to make corrections and submit a request to the grading TA to have the assignment regraded.
- ❖ If you have questions or need help, please contact the TA who graded your assignment and schedule time to meet with him/her.
